

Truck Parking Areas

Zones de stationnement pour camions

LKW-Parkplätze

Зоны стоянки грузовых автомобилей

**2009**

**44 countries - nearly 2000 Parking Areas**

## TRUCK PARKING AREAS

### *An International Transport Forum (ITF) publication in cooperation with the International Road Transport Union (IRU)*

The ITF and the IRU have done their best to collect all valid information on Truck Parking Areas on the Euro-Asian Continent. Due to constant changes regarding coordinates of these parking areas, the ITF and the IRU decline all responsibility concerning any information contained in this document.

This version of the brochure was closed on 15 March 2009. Updates for certain countries have arrived subsequent to this date; these will be considered, together with any new information, on a regular basis for the web pdf version, which will be available on [www.internationaltransportforum.org](http://www.internationaltransportforum.org) and [www.iru.org](http://www.iru.org).

The ITF and the IRU are working on an interactive parking list application with easy data input options and user-friendly access possibilities. The application will be available on the web in 2009.

**Copyright: ITF/IRU**  
Data collection concluded  
in January 2009

## ZONES DE STATIONNEMENT POUR LES CAMIONS

### *Une publication du Forum international des transports (FIT) en collaboration avec l'Union Internationale des Transports Routiers (IRU)*

Le FIT et l'IRU se sont efforcés de réunir toutes les informations pertinentes sur les zones de stationnement pour camions sur le continent eurasiatique. Les coordonnées de ces zones étant sujettes à de constantes modifications, le FIT et l'IRU déclinent toute responsabilité quant aux informations contenues dans le présent document.

Cette nouvelle version de la brochure a été finalisée le 15 mars 2009. Nous avons reçu des mises à jour pour certains pays après cette date. Il sera tenu compte de ces mises à jour de manière régulière, au même titre que d'autres nouvelles informations, dans la version PDF publiée sur internet. Celle-ci sera disponible sur [www.internationaltransportforum.org](http://www.internationaltransportforum.org) et [www.iru.org](http://www.iru.org).

L'ITF et l'IRU travaillent actuellement sur une liste de parkings interactive, offrant la possibilité de saisir facilement des données sur la base de simples droits d'accès. Cette application sera disponible sur internet en 2009.

## LKW-PARKPLÄTZE

### *Eine Veröffentlichung des Weltverkehrsforums (ITF) in Zusammenarbeit mit der Internationalen Strassentransportunion (IRU)*

ITF und IRU haben sich bemüht, nützliche Informationen über LKW-Parkplätze auf dem Eurasischen Kontinent zusammenzustellen. Aufgrund ständiger Veränderungen im Hinblick auf die Angaben zu diesen Parkplätzen lehnen ITF und IRU jegliche Verantwortung für die in dieser Unterlage enthaltenen Informationen ab.

Die Daten zu dieser Broschüre wurden bis zum 15 März 2009 gesammelt. Updates für einige Länder, welche nach diesem Datum gesandt wurden, werden regelmässig zusammen mit allen neuen Informationen auf den Webseiten: [www.internationaltransportforum.org](http://www.internationaltransportforum.org) und [www.iru.org](http://www.iru.org) in Form eines PDF publiziert werden.

ITF und IRU arbeiten an einer benutzerfreundlichen, interaktiven Parkplatzliste, welche ab 2009 auf dem Web zu finden sein wird.

## ЗОНЫ СТОЯНКИ ГРУЗОВЫХ АВТОМОБИЛЕЙ

Публикация Международного транспортного форума (МТФ), подготовленная в сотрудничестве с Международным союзом автомобильного транспорта (МСАТ)

МТФ и МСАТ сделали все возможное, для того чтобы собрать всю полезную информацию о зонах стоянки грузовых автомобилей на Евроазиатском континенте. В связи с тем что координаты этих зон стоянки постоянно меняются, МТФ и МСАТ снимают с себя всю ответственность за информацию, содержащуюся в этом документе.

Данная версия брошюры была закончена 15 марта 2009 г. Последние изменения по ряду стран поступили после этой даты; они будут регулярно учитываться, вместе с любой другой новой информацией, в версии pdf в Интернете, которая будет размещена по адресу [www.internationaltransportforum.org](http://www.internationaltransportforum.org) и [www.iru.org](http://www.iru.org).

Международный Транспортный Форум (ITF) и МСАТ работают над интерактивным применением списка стоянок с простыми опциями ввода данных и удобными для пользователя возможностями доступа. Программа будет доступна в Интернете в 2009 г.

## EVERYDAY SECURITY

- Never leave keys hidden for collection by a relief driver.
- Keep documentation about the load in a secure place. This can be used as authority for the title of the goods.
- Never leave valuables on view in your cab, whether these are loose equipment or your personal belongings.
- Look out for any security defects on your vehicle – faulty locks, bolts, straps, anti-theft devices etc. as part of your daily walk around check. Report any unserviceable security equipment at once.

## SECURITY ON THE ROAD

- Remove ignition keys, lock the cab doors and the vehicle's load space whenever it is left unattended – even when going to pay for fuel or when making a delivery.
- Where possible avoid routine stops for cigarettes, newspapers, etc. by buying beforehand.
- Do not leave windows open when away from your vehicle.
- Lock all doors while sleeping in the cab. If possible back the vehicle up against a wall or other secure barrier to prevent access to the rear doors, but remember the top and sides of the vehicle will remain vulnerable.
- If anti-theft devices are fitted to your vehicle – use them.
- Do not carry unauthorised passengers in your vehicle.
- Where high value loads are carried, travel in convoy with other known and trusted drivers if possible. Be on your guard for bogus officials – ask for identification.

## PAYING FOR FUEL

- Ensure that the volume of fuel you are signing for corresponds to that on the pump reading.
- If you use a fuel card, make sure that it remains in your sight throughout the transaction process.
- If the fuel card is lost report it immediately.

## MAKING DELIVERIES

- On arrival at your delivery destination, do not allow yourself to be persuaded to leave your vehicle in the charge of anyone else or to deliver to any other location unless certain that such action is legitimate.
- Make sure that the person receiving the goods has the authority to do so.

## MAKING COLLECTIONS

- Make sure that the vehicle is correctly loaded.
- Always check documentation against load description and quantity.
- Report any irregularity in loading, locking, sealing or documentation.

## PARKING SAFELY

- Avoid leaving your trailer unattended in lay-bys.
- Where possible, use prearranged secure parking areas for overnight stops. Do not use insecure parking places as a routine practice.
- Never leave the vehicle unattended in a secluded area or, at night, in an unlit area. Try to keep your vehicle in sight if you leave it unattended.

## PLANNING AHEAD

- If you make the same journey frequently consider whether the route/schedule can be varied, if this is possible or permitted.

## BE AWARE

- Treat unsolicited offers of assistance from unknown persons with caution, and treat signals from other drivers that something is amiss with your vehicle with extreme caution.
- Avoid talking about your load or your intended route in public or over the radio. Be careful when asking unknown people for advice on local off-road parking facilities.
- Be vigilant and cautious when returning to a vehicle alone. If there are suspicious vehicles nearby or persons in the immediate vicinity, note descriptions, registration numbers, etc.
- After a driving break or other stop where the vehicle is left unattended, look out for signs of tampering with doors, straps or sheets.
- In the event of a breakdown, consider the possibility of tampering or sabotage. Always take into consideration the security of the load if it is necessary to leave the vehicle.
- In case of burglary in a vehicle, block fuel card immediately (organised crime has been copying fuel cards).
- Always report a crime to a police station, even if no item has gone missing.
- Keep your fuel card and PIN code separately.
- Do not use the same PIN code for the entire company (advice to company managers).
- Change the PIN codes on a very regular basis, especially if your company has had personnel changes (advice to company managers).

## WHEN ON INTERNATIONAL JOURNEYS

- Leave copies of all necessary personal documents and documents relating to the vehicle and load with the company.
- Keep in regular contact with base.

## SÉCURITÉ AU QUOTIDIEN

- Ne cachez jamais les clés pour qu'un chauffeur de relève les récupère.
- Conservez les documents relatifs au chargement en lieu sûr. Ils peuvent être utilisés pour revendiquer le titre des marchandises.
- Ne laissez jamais d'objets de valeur en vue dans votre véhicule, qu'il s'agisse d'équipement amovible ou d'effets personnels.
- Vérifiez tout défaut de sécurité sur votre véhicule – des problèmes de serrure, de boulons, de courroies, de dispositifs antivol etc. dans le cadre de votre tournée quotidienne d'inspection. Tout problème au niveau de l'un quelconque des éléments de sécurité doit être signalé immédiatement.

## SÉCURITÉ SUR LA ROUTE

- Enlevez les clés de contact et fermez à clé les portes du camion et la remorque chaque fois que vous devez laisser votre véhicule sans surveillance – même pour aller payer du carburant ou lorsque vous êtes en livraison.
- Dans la mesure du possible, ne prenez pas l'habitude de vous arrêter pour acheter des cigarettes, des journaux, etc. Essayez d'y penser avant de partir.
- Fermez les vitres lorsque vous n'êtes pas à l'intérieur du véhicule.
- Fermez à clé toutes les portes lorsque vous dormez dans le camion. Essayez de garer le véhicule contre un mur ou contre une barrière solide pour couper tout accès par les portes arrière.
- N'oubliez pas cependant que le dessus et les côtés du véhicule resteront vulnérables.
- Si votre véhicule est équipé de dispositifs antivol – servez-vous en.
- Ne faites pas monter de passagers non autorisés dans le véhicule.
- Lorsque vous transportez des chargements de valeur, voyagez en convoi avec des chauffeurs de connaissance et de confiance si possible. Méfiez-vous des faux officiels – demandez toujours des preuves d'identité.

## RÈGLEMENT DU CARBURANT

- Vérifiez que le volume de carburant pour lequel vous signez correspond bien à celui qui est indiqué sur la pompe.
- Si vous utilisez une carte de carburant, ne la perdez pas de vue pendant tout le déroulement de la transaction.
- Si vous perdez votre carte de carburant, signalez-le immédiatement.

## LIVRAISONS

- Lorsque vous arrivez sur le lieu de livraison, n'acceptez jamais de confier votre véhicule à quiconque ni d'effectuer la livraison ailleurs à moins que cette action ne soit pleinement légitime.
- Assurez-vous que la personne qui réceptionne les marchandises est bien habilitée à le faire.

## CHARGEMENTS

- Vérifiez que le véhicule est correctement chargé.
- Contrôlez systématiquement les documents de transport par rapport à la description et à la quantité du chargement.
- Signalez toute irrégularité au niveau du chargement, de la fermeture, des scellés ou des documents de transport.

## STATIONNEMENT EN TOUTE SÉCURITÉ

- Veillez à ne pas laisser votre remorque sans surveillance sur de petites aires de stationnement.
- Dans la mesure du possible, effectuez vos arrêts de nuit sur des zones aménagées et sûres. Ne prenez pas l'habitude de stationner dans des lieux dangereux.
- Ne laissez jamais le véhicule sans surveillance dans une zone isolée ni, la nuit, dans un secteur mal éclairé. Mettez votre véhicule bien en vue si vous devez le laisser sans surveillance.

## PLANIFIEZ

- Si vous faites le même trajet régulièrement, étudiez dans quelle mesure l'itinéraire/les horaires peuvent en être modifiés, et si ces changements sont envisageables ou autorisés.

## SOYEZ VIGILANT

- Soyez vigilant par rapport aux propositions d'aide que vous feraient des inconnus auxquels vous n'avez rien demandé, et traitez avec la plus grande précaution les signaux donnés par les autres chauffeurs pour vous indiquer un problème au niveau de votre véhicule.
- Ne parlez pas de votre chargement ni de l'itinéraire que vous prévoyez d'emprunter en public ni à la radio. Faites attention lorsque vous demandez conseils à des inconnus sur des installations de stationnement situées à l'écart de la route.
- Soyez vigilant et restez sur vos gardes lorsque vous retournez seul à votre véhicule. Si vous voyez des véhicules ou des individus suspects dans les alentours immédiats, relevez des descriptions, la plaque d'immatriculation, etc.
- Après une pause ou un arrêt au cours duquel le véhicule est resté sans surveillance, recherchez les éventuels signes d'acte de malveillance au niveau des portes, des courroies ou de la tôle.
- En cas de panne, envisagez toujours la possibilité d'un acte de malveillance ou d'un sabotage. Tenez toujours compte de la sécurité de votre chargement si vous devez quitter le véhicule.
- En cas de vol avec effraction d'un véhicule, bloquez immédiatement votre carte de carburant en faisant opposition (les auteurs du crime organisé imitent les cartes de carburant).
- Déclarez toujours l'infraction à un poste de police même si aucun objet ne manque.
- Gardez séparément votre carte de carburant et votre code PIN (numéro d'identification personnel).
- N'utilisez pas le même code PIN pour toute l'entreprise (conseils aux chefs d'entreprise).
- Modifiez régulièrement votre code PIN surtout si votre entreprise a procédé à des changements au niveau du personnel (conseils aux chefs d'entreprise).

## DÉPLACEMENTS INTERNATIONAUX

- Laissez à votre entreprise des copies de tous les documents personnels nécessaires et de ceux relatifs au véhicule et au chargement.
- Restez en contact régulier avec la base.

## TÄGLICHE SICHERHEIT

- Verstecken Sie die Schlüssel nie für einen anderen Fahrer, der das Fahrzeug übernehmen soll.
- Bewahren Sie die Unterlagen zur Ladung an einem sicheren Ort auf. Mit diesen können Besitzansprüche an den Waren begründet werden.
- Lassen Sie nie Wertgegenstände sichtbar im Fahrerhaus liegen, gleichgültig, ob es sich um Ausrüstungsgegenstände oder Ihr persönliches Eigentum handelt.
- Untersuchen Sie Ihr Fahrzeug auf Sicherheitsmängel wie defekte Schlösser, Riegel, Gurte, Diebstahlsicherungen usw. bei der täglichen Abfahrtskontrolle. Melden Sie untaugliche Sicherheitsausrüstungen sofort.

## SICHERHEIT UNTERWEGS

- Ziehen Sie die Schlüssel ab und verschließen Sie immer die Türen von Fahrerhaus und den Laderaum, wenn das Fahrzeug unbeaufsichtigt ist - selbst dann, wenn Sie an einer Tankstelle nur bezahlen oder irgendwo etwas ausliefern wollen.
- Vermeiden Sie möglichst Routinestops, um Zigaretten, Zeitungen usw. zu kaufen. Tun Sie dies vor der Abfahrt.
- Lassen Sie die Fenster nicht auf, wenn Sie sich von Ihrem Fahrzeug entfernen.
- Verschließen Sie alle Türen, wenn Sie im Fahrerhaus schlafen. Wenn möglich, parken Sie das Fahrzeug gegen eine Wand oder ein anderes sicheres Hindernis, um den Zugang zu den rückwärtigen Türen zu verhindern. Doch vergessen Sie nicht, daß das Dach und die Seiten des Fahrzeugs Schwachpunkte darstellen.
- Ist Ihr Fahrzeug mit Diebstahlsicherungen ausgestattet, sollten Sie diese auch verwenden.
- Nehmen Sie niemanden ohne besondere Erlaubnis in Ihrem Fahrzeug mit.
- Wenn Waren mit hohem Wert transportiert werden, sollten Sie möglichst im Konvoi mit anderen Fahrern fahren, die Sie kennen und denen Sie vertrauen können. Vorsicht vor falschen Beamten! Verlangen Sie stets einen Ausweis.

## BEZAHLEN FÜR KRAFTSTOFF

- Vergewissern Sie sich, daß die Kraftstoffmenge, für die Sie unterschreiben, tatsächlich der auf der Zapfsäule angezeigte Menge entspricht.
- Zahlen Sie mit Kreditkarte, lassen Sie sie während des gesamten Zahlungsvorgangs nicht aus den Augen.
- Ein Verlust der Tankkarte muß unverzüglich gemeldet werden.

## DURCHFÜHREN VON LIEFERUNGEN

- Beim Empfänger angekommen, sollten Sie Ihr Fahrzeug nie in fremde Obhut geben oder zu einer anderen Entladestelle fahren, wenn Sie sich nicht absolut sicher sind, daß Sie das auch dürfen.
- Vergewissern Sie sich, daß die Person, die die Waren entgegennimmt, auch dazu berechtigt ist.

## ABHOLEN VON WAREN

- Vergewissern Sie sich, daß das Fahrzeug vorschriftsmäßig beladen ist.
- Vergleichen Sie stets die Frachtdokumente mit der Ladeliste und der Anzahl der Packstücke.
- Sollten Sie Unregelmäßigkeiten an Ladung, Verschluß, Versiegelung oder den Frachtdokumenten feststellen, sollten Sie dies sofort melden.

## SICHER PARKEN

- Vermeiden Sie es, Ihren Anhänger unbeaufsichtigt auf Rastplätzen stehen zu lassen.
- Fahren Sie zum Übernachten möglichst vorher vereinbarte, sichere Parkplätze an. Übernachten Sie nicht regelmäßig auf nicht gesicherten Parkplätzen.
- Lassen Sie das Fahrzeug nie unbeaufsichtigt auf einem abgelegenen Gelände stehen und stellen Sie es nachts auch nie auf einem unbeleuchteten Gelände ab. Halten Sie möglichst Sichtkontakt zu Ihrem Fahrzeug, wenn Sie sich von ihm entfernen.

## VORAUPLANEN

- Fahren Sie häufig die gleiche Strecke, sollten Sie, wenn immer möglich und zulässig, die Strecke oder den Zeitplan abwandeln.

## VORSICHT

- Seien Sie vorsichtig, wenn Unbekannten Ihnen spontan ihre Hilfe anbieten. Und seien Sie besonders vorsichtig, wenn andere Fahrer Ihnen zu verstehen geben, daß mit Ihrem Fahrzeug etwas nicht stimmt.
- Vermeiden Sie es, in der Öffentlichkeit oder über Funk über Ihre Ladung oder Ihre geplante Strecke zu sprechen. Seien Sie vorsichtig, wenn Unbekannte Sie auf abgelegenen Rastplätzen um Auskunft bitten.
- Seien Sie aufmerksam und vorsichtig, wenn Sie zu einem alleinstehenden Fahrzeug zurückkehren. Falls Ihnen in der unmittelbaren Umgebung verdächtige Fahrzeuge oder Personen auffallen, notieren Sie deren Aussehen, Zulassung usw.
- Nach einer Pause oder einem Halt, wo das Fahrzeug unbeaufsichtigt war, sollten Sie prüfen, ob sich jemand an den Türen, Gurten oder Planen zu schaffen gemacht hat.
- Ziehen Sie bei einer Panne die Möglichkeit von Sabotage in Betracht sowie die Möglichkeit, daß sich jemand an dem Fahrzeug zu schaffen gemacht haben könnte. Denken Sie stets an die Sicherheit der Ladung, wenn Sie das Fahrzeug verlassen müssen.
- Im Fall eines Einbruchs in Ihr Fahrzeug sollten Sie Ihre Tankkarte unverzüglich sperren lassen. (Organisierte Verbrecherbanden können Tankkarten vervielfältigen.)
- Melden Sie jede Straftat der Polizei, auch wenn kein Gegenstand gestohlen wurde.
- Bewahren Sie Ihre Tankkarte und den PIN-Code (Geheimnummer) stets getrennt voneinander auf.
- Verwenden Sie nicht den gleichen PIN-Code für das gesamte Unternehmen (Empfehlung an die Unternehmensleitung).
- Ändern Sie die PIN-Codes regelmäßig, besonders wenn es in Ihrem Unternehmen personelle Veränderungen gab (Empfehlung an die Unternehmensleitung).

## GRENZÜBERSCHREITENDER VERKEHR

- Hinterlassen Sie Kopien aller erforderlichen persönlichen Unterlagen sowie der Unterlagen für Fahrzeug und Ladung in der Firma.
- Halten Sie regelmäßigen Kontakt mit Ihrem Unternehmen.

## ПОВСЕДНЕВНАЯ БЕЗОПАСНОСТЬ

- Никогда не оставляйте спрятанными ключи для шофера - сменщика.
- Храните документы на груз в надежном месте. Они могут быть использованы в качестве основания, подтверждающего право на товар.
- Никогда не оставляйте на виду в кабине ценные вещи, идет ли речь о съемном оборудовании или о личных вещах.
- Во время ежедневного осмотра убедитесь в отсутствии дефектов в системе безопасности вашего транспортного средства: неисправные замки, запоры, ремни, противопогонные устройства и т.д. Немедленно сообщите о любой неисправности устройств безопасности.

## БЕЗОПАСНОСТЬ В ПУТИ

- Вынимайте ключи зажигания и закрывайте на ключ двери грузовика и грузового отделения каждый раз, когда вам необходимо оставить ваше транспортное средство без присмотра, даже для того, чтобы заплатить за топливо, или в момент доставки.
- Избегайте, по возможности, привычных остановок, чтобы купить сигареты, газеты и т.л., покупайте их заранее.
- Не оставляйте открытыми окна, когда вам необходимо отлучиться от машины.
- Закрывайте на ключ все двери, когда вы спите в кабине. Поставьте, по возможности, машину против стенки или надежного барьера, чтобы перекрыть доступ к задним дверям, однако не забывайте, что верх и боковые стенки вашего транспортного средства остаются незащищенными.
- Если ваше транспортное средство оборудовано противопогонным устройством, используйте его.
- Не берите к себе в машину посторонних людей.
- При перевозке ценных грузов постарайтесь, по возможности, ехать колонной вместе с другими водителями, которых вы знаете и которым вы доверяете. Будьте настороже с людьми, выдающими себя за должностных лиц, - попросите их предъявить удостоверение личности.

## ОПЛАТА ТОПЛИВА

- Убедитесь в том, что количество топлива, за которое вы расписываетесь, соответствует показаниям счетчика бензоколонки.
- Если вы пользуетесь карточкой на топливо, не теряйте ее из виду во время расчета.
- В случае потери карточки на топливо немедленно сообщите об этом.

## ДОСТАВКА ГРУЗА

- По прибытии в место назначения, никогда не соглашайтесь передавать ваше транспортное средство какому-либо другому лицу или производить разгрузку в другом месте, если только это действие полностью не обосновано.
- Убедитесь в том, что лицо, которое принимает груз, должным образом уполномочено на это.

## ЗАГРУЗКА ГРУЗА

- Убедитесь в том, что транспортное средство загружено правильно.
- Всегда сверяйте документы с описанием и количеством груза.
- Сообщайте о всех нарушениях, связанных с загрузкой, запорными устройствами, пломбами и транспортными документами.

## БЕЗОПАСНАЯ СТОЯНКА

- Старайтесь не оставлять трейлер без присмотра на небольших стоянках.
- По мере возможности, останавливайтесь на ночь в оборудованных и охраняемых местах стоянки. Не пользуйтесь в силу привычки стоянками в небезопасных местах.
- Никогда не оставляйте транспортное средство без присмотра в уединенном месте или ночью в неосвещенной зоне. Если вы оставляете транспортное средство без присмотра, постарайтесь поставить его на виду.

## ПЛАНИРОВАНИЕ

- Если вам часто приходится совершать один и тот же рейс, посмотрите, можно ли изменить маршрут/график движения, если это возможно или допустимо.

## БУДЬТЕ НАСТОРОЖЕ

- С осторожностью относитесь к предложениям о помощи со стороны неизвестных лиц, у которых вы ничего не просили, и с особой осторожностью относитесь к сигналам со стороны других водителей о том, что с вашей машиной что-то не в порядке.
  - Старайтесь не говорить о грузе, который вы везете, или о маршруте, по которому вы намерены ехать, на людях или по радио. Будьте осторожны, когда вы просите совета у незнакомых людей насчет стоянок, расположенных вне дороги.
  - Будьте бдительны и осторожны, когда вы возвращаетесь один к машине. Если вы видите в непосредственной близости другие транспортные средства или подозрительных личностей, обратите внимание на приметы, номерные знаки и т.д.
  - После перерыва или остановки, когда ваше транспортное средство оставалось без присмотра, убедитесь в отсутствии признаков нарушения целостности дверей, ремней или брезента.
  - В случае поломки учитывайте возможность недоброжелательных действий или саботажа. Всегда заботьтесь о сохранности груза, если вам необходимо оставить транспортное средство.
  - В случае вскрытия вашего транспортного средства немедленно заблокируйте вашу топливную карточку (топливные карточки копируются группами организованной преступности).
  - Всегда сообщайте о факте преступления в отделение полиции, даже если ничего не пропало.
  - Храните вашу топливную карточку и код PIN отдельно.
  - Не используйте одинаковый код PIN для всей компании (рекомендация для руководителей компаний).
  - Меняйте коды PIN на регулярной основе, особенно если в вашей компании произошли кадровые изменения (рекомендация для руководителей компаний).
- ## МЕЖДУНАРОДНЫЕ РЕЙСЫ
- Оставьте на своем предприятии копии всех необходимых вам личных документов и документов на транспортное средство и на груз.
  - Держите регулярную связь с базой.

**NOTES**This section contains 12 horizontal, light blue bars stacked vertically, providing space for handwritten notes. Each bar is uniform in color and width, extending across most of the page's width.

Blank lined area for notes, consisting of 12 horizontal light blue lines.

## NOTES

A series of 14 horizontal light blue bars, stacked vertically, intended for writing notes. Each bar is uniform in width and height, and they span most of the page width.
